St. Bartholomew's Episcopal Church is seeking a part-time Vicar to provide pastoral, sacramental, and missional leadership for a historic congregation rooted in worship, community, and service.
St. Bartholomew's (affectionately known as "St. Bart's") is a historic mission church in the Episcopal Diocese of Florida. The congregation was organized in 1896 and a mission in 1899 and has offered continuous Sunday services since the late 1890s. The Carpenter Gothic sanctuary is one of the oldest continuously used church buildings in High Springs and a contributing structure in the local historic district. It features classic rural Upjohn-inspired design with steep gable, pointed-arch and wheel windows, and original elements the congregation works to preserve.

Ideal candidate: St. Bart's seeks a part-time Vicar to lead a well-established, small congregation with spiritual grounding, warmth, and pastoral presence. We are looking for a priest who will walk with us in faith, joy, and trust, and who will become a meaningful part of our mission family.

The Vicar will help nurture the spiritual life of the congregation, encourage shared ministry among lay leaders, and support St. Bart's ongoing presence in the High Springs community.

- We seek a Vicar who delivers engaging, relevant sermons that connect the Gospel to daily life.
- We desire a passionate leader who provides spiritual guidance and support to parishioners of all ages.
- St. Bart's needs an energetic leader who can help us extend a warm invitation to young and middle-aged families to join our family of faith.
- We seek someone who can identify, nurture, and empower lay leaders so ministry is shared broadly throughout the congregation rather than dependent on clergy alone.

As a small but stable congregation, we look to the future with hope and excitement.
